Dear sister. While I am saddened for your loss, I know Ace is resting in peace. I remember the good times we had together and how generous he always was to share his life with everyone. We had many fun times and I was grateful to be part of them. Ace was always spiritually connected to the world and this alone made it very easy to admire him. Please know that I will be by your side whenever you ask My prayers are with you now and forever.

Sherrie, Ace was a unique person, and will be missed by a lot of folks. He reminded me of Abe Lincoln quite a bit. To quote a old Eskimo Legend: There are not really stars in the sky, but rather openings where our loved ones shine down to let us know they are happy.

I wish we could be there for you during this sad time Aunt Sherrie. Please know we are there in thought and spirit. Ill never forget when I was a teenager and you and Ace bought me my first beer Stein at German Fest. I still have it. We hope to see you and hug you in the near future. Love your niece Sandy
