We didn't always agree but one would always say I'm sorry. Growing up together we always found a way to get into trouble or have fun. Later in life we grew a little apart, and in the last few years closer again. You found peace with Nazira a woman who loved you with all her heart. May the angels keep you close other wise Heaven will never be the same. Don't argue they might throw you out. Bud your resting now , no pain no worries. God bless and look after us. We will meet up again someday, until then we will love and miss you a bunch. With all my heart and love , Your cousin, Nena Charlie thanks for the adventure in the Canyon I will never forget it, what a laugh when we had to be helicopter out because you got blisters on your feet. Once in a life time. Santos
