I worked with Dorothy for many years at three different library locations--she was my boss when we worked at Joel D. Valdez Library together. Working with, and for, Dorothy was great. She expected her staff to be hard-working and she set the example in that. She never forgot our birthdays and always made certain that we celebrated with a cake with lit candles (fortunately, the sprinklers never went off). When I found this photo it brought back a lot of good memories and I can't help looking at Dorothy and thinking, yeah, getting your photo taken with the Mayor? Well, that's how it's done.

Norma Zarlow posted:

It was an honor to know Dorothy as a leader of Pacific Rim Quilting group, a lady of good values, humor, intelligence, and caring for humanity. What a role model for all and although it was only a year that I knew her, she will always be an inspiration for me. My sympathy to the family, Norma Zarlow
