I knew Bob from working at BlueChip motors in the 70's. Although I had not seen him in all these years, I still thought of him as he was one of the few Good guys at Blue Chip! God give him peace.

Known at Harley as "Popcorn Bob", Bob was so much more. I worked with him for years when he was in Rentals and Sales. He was always happy to be here, dedicated and caring. He helped people get what they needed and always seemed to be having fun. I miss him
