I have been thinking of Aunt Sandy, a lot lately. I remember staying with her onetime when Mom and Dad went on vacation. Aunt Sandy made the time fun. Kept us entertained with stories about travels, family, or talking about Tuffy. I recall how sweet, She was prepping for cousin Jerry's baby coming. Her voice and laughter, wonderful and positively memorable. I miss her. Maybe it didn't seem that way, cause my Mom kept me in the dark, much of the time. Much like she's doing now. I wish I came to visit her, and Uncle Art more. I didn't really get to know my own family, better. Not my desire. I wanted family to know my spouse, my children, our lives. Yours. Been too long. I love you all so much. I hope you get this. Not sure if Mom ever passes my thoughts, and well wishes on to you guys. I'd like to think Judy is hanging out with family up in heaven. So her beautiful life was known. Im raising her kids. 4 yrs. Now. My greatest joy. Family. I miss you Aunt Sandy. With much love, Jeanne
