My deepest condolences over the loss of Hack. He really will be missed. Lots of great memories to hold onto. We look forward to the resurrection. When God will wipe away all tears and take away our sorrow and pain; when all those in the memorial tombs will hear the voice of God's Son and come to life. Then death will be no more. John 5:28; Revelation 21: 3, 4; Matthew 5:5. May you take comfort in God's promise of a future life when our loved ones are resurrected to enjoy life in paradise. In that day there will be great rejoicing when we are able to ride the trails with Hack again; this time never having to say goodbye. Loving thoughts and prayers of peace are with all of you.
