Our heartfelt and sincere condolences go to Rob's family and his friends. Rob was a special person. The special memories made and countless stories take on a new and stronger meaning with the loss of Rob's life. This is so true for my son TJ and my daughter Nicole (Reb) as Rob called her for Rebel. My kids were heartbroken with the news of Rob's death. Rob employed TJ and Nicole for summer help, winter break help and sometimes spring break help during their college years. Rob also hired TJ back in December 2011 after his graduation from NAU and employed him until TJ found his job a few months later in February 2012. Rob always included TJ and Nicole in the company Christmas Party each December even though they only worked part time during college. They would come back each day with job experiences, as well as funny stories to tell about their day with Rob. I know Rob liked Pop Tarts and lunch at Luke's, and that Rob taught TJ a thing or two in his field. Rob will always be remembered in our families eyes as kind, helpful, and funny. I only hope that as a part of a legacy for Rob that my kids will someday in the future be able to pay it forward to help some student in need of employment. TJ's dad Carlos use to tell TJ how is (daddy Rob today) as TJ was very fond of Rob and shared many construction related stories with Carlos. Our thoughts and prayers are with your family, Love Carlos, Dawn, TJ and Nicole Ruiz. We will always remember Rob!
