I worked with Cathy at Johns Hopkins Childrens Center in the 1960s and was one of her roommates for a year. Cathy was one of the best nurses I ever worked with and a great friend. I will miss her greatly.

Words seem inadequate right now, but please accept our deepest condolences at the death of Catherine. Revelation 21:4 says a day will come when He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away. As we look forward to that day, be comforted in knowing that Catherine is in a better place. The peace of the Lord be with you. With love, Bud and Kaye Coates

Paul and family, We have met only on one or two occasions but I can well imagine the sense of loss. Cathy was a good, kind and caring person. Way back in the '60s I met her and her three nurse roommates when they lived in Towson, MD. Lets recall all the good moments. I expect we recall another Paul who said: To be absent from the body, is to be present with the Lord. -Randy, Baltimore

Catherine, You were my sister and my best friend. We shared laughter, in the good times, and tears in the bad. If I could have kept you here, I would have - BUT the Lord was ready to take you home. I can see you finally walking with NO pain. Oh, how wonderful you must feel. Paul, You had her for 35 years. As we looked through the pictures with you, there are wonderful memories to recall. Dwell on those memories. Love you, Pearl
