BEASLEY, Billie Nan, born March 13, 1936 in Amarillo TX, passed away on September 23, 2014. She is survived by her beloved husband Leslie LeRoy Beasley of 78 years. Devoted mother of Eric Wayne Beasley, Laurretta Michelle Beasley; cherished grandmother of Chase D. Minnick and Khloe Grace Minnick, Nathan Featherston, Jonathon Featherston, Bethany Beasley and Andy Beasley; brother, Jimmy Ray McPherson. Mrs. Beasley lost her mother at 8 years of age and then became saved at 14. She graduated high school in 1954 and then received her Bachelors degree in Social Work and a Minor in Spanish in 1961. In 1966 she married her beloved husband Leslie LeRoy Beasley and they resided in Anaheim, CA where she worked for Douglas Aircraft and as a Social Worker. They moved to Tucson in 1975 and she was employed by the Drug Enforcement Agency for five years, then as a secretary at the University of Arizona for two years. Mrs. Beasley then worked for the Child Protective Agency, State of Arizona as a Social Worker before retiring after 22 years at age 59. After becoming bored with retirement she worked in childcare. Included in Mrs. Beasley's many talents were playing the piano, an artist in oil painting and always being organized. She was a member of the Faith Community Church and worked with children in the Faith Community as well as being a member of the Faith Keepers. She enjoyed bible studies and helping with special events. In her spare time, her and her husband managed to travel all over. She will be remembered as always being happy and laughing and excited to hear about her children and grandchildren. I will miss my sister in-law Billie Beasley. We lived distant from each other, but we managed to stay in touch. I will miss the talks we had together, and her cheerful ways. Billie would listen to you if you had something on your mind. She had a giving heart for people and children, and loved the Lord and her family very much. I know she is in heaven now rejoicing with her heavenly family.
Love, Naomi Beasley

I love my mom and will miss her so much. I am so proud of my mom, and I know she impacted so many lives. She was always happy, excited and laughing about life. She always stayed positive and saw the bright side of things, and that is what she taught me. Whenever we would visit we would just laugh and be silly. Just as my brother stated . . .she never gave up on anyone, and when she worked at Child Protective Services she worked tons of unpaid overtime hours at night and weekends helping families and children through rehabilitation to parents restoring families to get their children back. She then worked with children schools after she retired as she loved that so much ministering to them in her special way every day like she could. My mother was not judgmental, but would just pray for you instead. I am honored to have her as my mother, and will miss her dearly. This is the hardest thing I have ever had to do. She was a wonderful grandmother and I am so happy she got to see the children every year since they were born, she was always so excited about wanting to know all the details of their lives. She will be so missed. I LOVE YOU MOM!!! FROM LAURETTA

I Love my mom and will miss her so much. This is the hardest thing I have ever been through. I am so proud of my mom as I know she impacted so many people in her life. When she worked at CPS she worked tons of overtime hours without pay during the week and weekend to help the families through rehabilitation and protecting the children, and helping the parents to get their children back. Just as my brother stated I never saw my mother give up on anyone, and if you did something she didn't like she would just pray for you :). When she retired she continued to work with children at St. Phillips Kindergarten and others as she loved that so much ministering to them in her own special way like she could every day. Mom was always full of excitement and laughter, and we would laugh and be silly every time she would visit. She was the most wonderful grandmother to my children, and wanted to know every detail of their lives as much as possible since we lived far away. I am so glad she was able to visit once a year with them since they have been born, but am saddened that she cannot watch them grow old with us as we were 3 weeks shy from coming out here for family vacation when she passed away. My mother was always positive and tried to see the bright side of things, and that is one thing she taught me well, I think. My moms faith and love for Christ her Savior was amazing, and I know she was an example to many. I am saddened so much from her gone from my life, but know she is up in heaven having a ball. I LOVE YOU MOM! FROM LAURETTA
