We moved to Quail Creek in Jan. 05. As an avid golfer Al was one of the first people I met. When I found out how old he was, he immediately became one of my idols, as he was in great shape and very active. I last saw Al down at the putting green (his second home I think) a couple weeks ago and chatted with him for about 15 minutes. He was so looking forward to getting out on the course again with the guys. He gave me a big hug when I left and said I'll see you on the course. I'll always remember Al as a true gentleman and a first class individual. Chuck Stensrud
