Worked with Walter years ago, did an 3D animation for his documentary films. In the short time i worked with him he made me feel welcomed. He was so kind, so clever and had a great sense of humor. Was lucky to have the chance to work with and know him a little. My condolences to his wife and family. John Westenhiser

My heartfelt sympathy to Pat and the family. My memories of Walter come from our service to the National Association of Miniature Enthusiasts (NAME). Walter and I served together for several years on the Board of Trustees of NAME. Walter was always generous with his talent, knowledge and time for NAME. We loved his generous spirit and friendly ways. Pat I grieve for you and a piece of my heart was broken on April 1. Terri Reasor, Past President National Association of Miniature Enthusiasts

Walter, with that beautiful voice and always present smile, what I can say about him. It was always apparent to me that he cared deeply for Pat, by his ever presence and little thoughtful things that he did when I saw the two together. I met Walter and Pat through our joint love of miniatures. Walter was there, helping in so many ways. I loved how he combined his love of video with that of miniatures. He was an wonderful supporter of NAME, serving on the Board and other committees. To Pat, Sarah, and the rest of the family, please accept my deepest sympathy. He shall be missed by so many, but most importantly by all of you. Shannon Moore
