Matt was the greatest friend a person can ask for. There was nothing he wouldn't do for me or Amanda Badilla. He was with us everyday of our senior year. He is a person I will always cherish and always remember the friendship we had. Love you brother Rest in Paradise ❤️

Matt was an important part of my daughters life. I will remember him in many different ways from giving Ashley a hard time one minute, to asking for advise about girls the next. What I'll miss/remember most is Matt doing cannon balls into my parents pool each summer, reducing the water level significantly and getting yelled at by whomever didn't want to get their hair wet (LOL!). My heart breaks each time I remember he is gone. He will be missed daily and in ways we don't even realize yet. God bless you and I pray that His presence be felt every moment during this time for Matt's family, best friends and anyone that is struggling each day to make sense of this tragedy. Peace and love be with you.

My most Cherished Memory of my Little Brother is the excitement he had packing for Disneyland. He would run back and forth between the living room and his bedroom with armfuls of clothes to pack. He would stay up way past his bedtime as would I watching the minutes tick by until it was time to leave. I miss him so much.

Everyone has a piece of their heart missing, with the passing of our loved one. We truly enjoyed the company of Matthew. We would visit Susan and Mike and there he would be sitting on the right side of the couch. As we told Mike recently; we would leave there after our visit and talk about what a good kid he has always been. We just saw him three weeks prior when he came over with his dad to get a truck from us. Matthew liked it so much as he was getting in it to drive off, when he yelled at his dad "I'll give you two grand for it". It was a site to see....like he was a kid again with a new toy. We are going to miss this angel. It's the Lord's turn to watch over Matthew and one day, we will all meet with him again, with all of our other loved ones. We love you guys, Uncle Linda and Skippy

I have a whole lot of great memories with my nephew. The most important ones to me are football and barbecues. Matt enjoyed every second that he was on the field and was a great captain for THS . I enjoyed barbecuing and just watching the steak dissappear even before it went into the house. Matt kyle and myself were always tasting the barbecue. We would always tell anyone that asked that we were checking to make sure it was eatable. Miss this young man very much.

My Favorite memories of my Little Brother are of him and I staying up till the early hours of the morning playing call of duty being hacked up in Mountain Dew. We would spend hours in from of that TV. Making up new games and Levels with my wife. He will be greatly missed and loved forever. I will Never forget you little brother. I can't believe you're gone. #52
