Isabel F. Cardenas

NOV 29, 1988 - NOV 20, 2016

Isabel F. Cardenas, 27, was called home to our lord unexpectedly on Sunday, November 20th, 2016. She was born and raised in Tucson, AZ on November 29th, 1988. She attended Amphi schools and graduated from Amphitheater High school in 2007. She was currently enrolled at the University of Arizona majoring in English with a concentration in Creative Writing.

Isabel was a charismatic person, there were very few people she couldn't charm with her wit. Her compassion knew no bounds. She was also a creative mind; she dabbled in painting, fashion designing, and dancing, but she reserved most of her passion for writing. She was a very unique soul and it showed through her hobbies. Isabel loved to play video games, read extensively until she wore out the book, she liked to bake and she loved to watch TLC shows and netflix series. She was also exceptionally hilarious. Her memes were dank and so was she.

Isabel is survived by her parents, Francisco Cardenas and Hong Do, her three younger siblings, Vivian, Alex and Veronica. She also leaves behind her paternal grandparents and maternal grandfather, and the Love of her Life, Luis Carrillo as well as many many more aunts, uncles, cousins and second cousins.

Memorial services will begin with a mass held at Sacred Heart Parish on (601 E Fort Lowell Rd, Tucson, AZ 85705) at 11 am on Friday, the 25th, 2016. Afterwards there will be a viewing from 1pm to 4 pm at Evergreen Mortuary on (3015 N. Oracle Rd, Tucson, AZ 85705).

As Isabel had once said, "There is no death, only a change of worlds." (Chief Seattle)

These pictures reflect how I remember Isabel. She was a sweet and happy girl. I am a family friend and I lost touch with her as she began to grow older. My most sincere condolences to all the family and friends.

I never had the opportunity to meet Isabel, however her Mother Hong is a dear friend. Hong and I worked together for some years. I remember Hong speak of her daughter's accomplishments and how proud of the young woman she became. Hong is proud of ALL her children and loves each one in her own special way. There are no words that can take away their pain at this time. However, I would like to express to each family member my sincerest sympathy and true condolences and the hope my prayers are answered and each finds their comfort and strength through the Lord Jesus.. Amen

For as long as I can remember going to school, I've known Isabel. She was such a bright, kind person. She always had a smile on her face and was one of the sweetest people I knew. I remember how much she used to joke around with me and that taught me a valuable lesson. Never be afraid to laugh at yourself. She helped me become comfortable in my own skin. Although we hadn't spoken in quite some time, the news of her passing was shocking. I wanted to extend my condolences to her family during this difficult time. Please know Isabel played a pivotal role in the development of the person I am today and she has touched so many people. She will always be remembered. I will keep all of you in my prayers. Love, Sean Reyes
