Jeffrey Scott Samluk

JAN 9, 1968 - DEC 23, 2016

We are devastated to announce the passing of Jeffrey Scott Samluk on Dec 23, 2016. He was born on Jan. 9, 1968 in Wilmington, Delaware. Jeffrey was a beloved son, father, brother, uncle and friend to many. Jeffrey loved Tucson and made big impressions with whomever he came in contact. He moved here in 1977 and made many friends. He worked for Environmental Strategies for almost 30 years.

We want everyone who had a pleasure of knowing him to just take a moment and think of a special memory you shared with him that makes you smile. As you watch the sunset here in Tucson after receiving this news, please say a sweet farewell to one of the God's sweetest treasures to many of us.

He will be missed more than anyone could imagine. He is survived by his daughter Lindsey, his heartbroken mother, Bettie Hamm, stepfather Claude Marin, sister Wendy Rogers, his twin brother Steven Samluk, nieces Amanda Samluk and Cheyenne Lopez, nephews Tim, Steven and Brandon Samluk, stepbrother Louis Marin, stepdaughter Jessica Gryczkowski and ex-wife Kelleeyn Samluk. He was preceded in death by his grandparents Woody & Agnes Smith and step-daughter, Krysta Gryczkowski.

My deepest condolences to the family, especially his daughter who I never met. I worked with Jeff at Enviore Strategies for about 20 years until I retired. I had an admiration of him because at about 24 years of age his feet were pretty well grounded. I watched him go through some very happy and sad moments of his life with great courage. I periodically saw him when I visited some job sites. I had the pleasure of talking to him on 12-19-16 at a restaurant where I complimented him for looking so young and healthy. I was devastated with sadness when I received the news of his passing. Many times we talked about a son I have who is a year younger than him but lacked Jeff's maturity. My prayers have been requesting God an eternal peace and courage to his family Armando Haro continues praying that he may rest in peace.

Dear Betty, Wendy and Stephen, I was shocked and saddened to hear of Jeff's passing. I didn't hear until yesterday when Bonnie and I talked on the phone. I think you all know that I loved Jeff as if he were my nephew and I never stopped thinking about him, Wendy and Steve that way. I'm so very sorry for your loss. Betty--I'd love to be in touch with you again if you are interested. We shared so good and some terrible times, didn't we? My deepest condolences to everyone who knew him. He was my bestfriends stepfather but was a part of her life since she was really young. I always remembered him being happy and joyful and playing country music. Their family was like my family and we had a lot of fun times camping and riding the family quads. these memories is how I will remember him.
