Words can't describe my sadness. Jon was a great person and wonderful grandfather to my kids. They loved being with him and always had something exciting to say. He will be missed.

Jon, although I didn't know you, we had something in common--we are both musicians. I'm sure I could never compare to you, for I'm sure you were proficient with the guitar & as a composer. I'm only sorry I never got to hear you. I can imagine you happily playing your music for the Lord. Maybe when & if I finally earn my wings, I will jam with you in Paradise. 🎸🎸🎸🎸🎸🎸

They say people will forget you said, what you did. But I will never forget how you made me feel. When I would visit Renee you welcomed me into your home as if it was my home. The smile you had when you explained to me how your music equipment worked. I have to say though the memories that come to me the most if when you guys lived in the trailer and you guys had your big dogs. This is not goodbye it's simply a farewell and we will see you again Jon Napper the rock star!!!
