Borane family, I have such wonderful memories of Derek, especially playing with him in the Cochise College band. Kevin also has such fun memories of him. No matter how much faith we have that our love ones are with God in heaven and their suffering is now over, the human side of our nature takes over and leaves us feeling alone and broken. As you begin mourning the loss of your son, your brother, your uncle, your family member, I pray that the Lord will fill you with peace love and patience. Love and prayers, Monica Acosta Rich

Debra and all the Borane family, Your family has always been close to the Diaz family. From what I know, together we accomplished much for the community and each other. Derek was and will be remembered for his kindness and his generosity. He always made time for me, and helped me with my journey through adolescence to adulthood. He was always honest with me. He lent me his car on more than one occasion to try to impress girls I was interested in. He wasn't perfect, but he was good. I wish I could have reconnected with him as an adult. I think we would have more in common now than before. I am glad, and indeed a better man having known Derek. I hope he has found rest and satisfaction in his life. My love and thoughts to you and yours during this most difficult time. If there is anything I can do, please let me know.

Every time I saw Derek, even as a child, he was happy, excited to see us and so loving. He had such a joyful spirit! He is now cured and free of his constraints. God has claimed His new saint! We will all be with Derick when we are called. He will be waiting. I loved you, dearly, Derick. Love, Aunt Jo Ann
