My first memory of Vernon and Tazuka was when my father had been transferred to Offutt Air Base in Nebraska. My parents continued their friendship with them when they moved to Tucson, where my father retired. I remember what kind people Vernon and Tazuka were. He was an animal lover and spent some of his later years as a volunteer for the Humane Society. I was shocked and saddened to hear of his passing. Even though my parents left this world years ago, I am sure they are continuing their friendship with Vernon in the next realm. Sam and Ruth's daughter, Karen
