Not a day goes by that I don't miss that smiling face - Judy and Mark were such integral parts of our community. And, since I got to purchase her vehicle, I get to chat with her every day I drive it. I MISS HER!! Love always, Ella Siroskey Hau'ula Community Association

It's hard to believe it's been two years since Judy left us. I met her in school many years ago & found her to be one of the most kind, caring, & genuine people I've met. It's sad the pain she went through, but she did it with grace & a great outlook. Hope you're enjoying your sunsets Judy, you're missed by many. Mike Frost Sahuaro High School class of '73
