Pam Burnett posted:

I miss you every day. You were my rock. It's been almost a year now since you have been gone and I miss you more every day. You have touched so many lives. Thank you for sharing the last 22 years with me. I have so many good memories. There will never be another like you. Until we meet again. I love you and miss you

My Brother will live with me in memory
Before my eyes he grew weaker every day
Doing all I could to save him
Until God took him away
Never shall his memory fade
I love you for ever and ever my beautiful Brother
