Dad, you probably didn't know you were my hero. You could fix anything that was broken. You were always there for me, and I will miss our Sunday night phone calls. You were a man of impeccable character and I looked up to you with admiration and respect. The world could use more men like you!! I will never forget you, and was so proud to have you for my dad. I love you!!

He was my big brother and mentor and taught me a lot without ever realizing it. Vicky, I'm so sorry for your loss and had hoped to see you when your sisters came to Tucson. Lost your contact info-sorry. Tim
