Along with his family also. He will definitely be missed, but he is hanging out up there with our mom Billie now... LOL and I'm sure they're giving someone a hard time...and laughing...lolYou will be missedLove Delene and Jadine

Shawna Ashley sent a virtual gift in honor of Boyd.

I'll never forget the first time I met Boyd, I had only lived in AZ about a year so it must have been 1993 or 1994. At first, I must admit I was a bit taken back but over time I came to realize his heart was bigger than his notoriety. He kept things real. Honor, respect, integrity are words that come to mind whenever I think of Boyd. I will miss seeing him around. R.I.P.
