Francis "Frank" Bouchard, age 81, died in Tucson, AZ on February 28, 2022 after a brief illness. He was born and raised in Witherbee, NY and graduated from Mineville High School. Following graduation, he served for 4 years in the US Army and then attended SUNY Morrisville where he obtained his Associate's Degree in Electrical Engineering Technology. He made his home in Rochester NY for 38 years and then in Tucson for the 20 years that followed.

In Rochester, he worked for Bausch & Lomb and its successor companies in numerous roles including V.P. of Operations and Quality Manager. He found great success and satisfaction in this role in both Rochester and Tucson before finally retiring the business on his 80th birthday.

Frank was deeply committed to community service and his religious family. He was very active with the Boy Scouts of America for over 40 years and held leadership positions at both the local and national level during this time. His contributions were recognized with the Silver Antelope award in 2018. He found great enjoyment and enrichment being part of the church community while also pursuing his own spirituality journey. His personal interests were many, and included traveling, bird-watching, journaling, and spending quality time with his loved ones.

He is survived by his wife, Conslee; children Deborah (Sean Street), James (Inge) and their mother Susan; and children Jessie Baldwin (Chris), Diane, Basile, Joyeuse, Didier, and Merveille. He is also survived by grandchildren, brothers, nieces, and nephews. He was preceded in death by wife Deborah.
