Dr. Martin H. Meyer

MAY 24, 1929 - DEC 9, 2022

On December 9, 2022, Dr. Martin "Marty" Henry Meyer, 93, passed away peacefully at home with his loved ones by his side.

Marty was born to Martin Henry Meyer, Sr., and Alvina Wolter on May 24, 1929, in Saint Louis, Missouri.

Although his family came from humble beginnings, they instilled life-long values of the importance that Marty expanded on over time for a long and fulfilling life...God, love, family, the kitchen table, contribution to others, sports, education, home, laughter, service to country, conversation, extensive travels, friends, empathy, health, literature, music, a walk on the beach, hiking (including the Grand Canyon over 20 times), and a bit of levity along the way.

Marty attended Beaumont High School in Saint Louis and discovered a love of running. He was the "Cross-Country King of the County" and was never beaten in high school in the mile. His fastest time was 4.12. These achievements earned him several athletic scholarships.

He settled on the University of Missouri for undergrad earning a Bachelor of Science in Medicine. When considering a career path, Marty felt a contribution to the well-being of others, and medicine seemed appropriate. He chose the University of Pittsburgh for Medical School, which earned him a Doctor of Medicine.

Marty met and married Patricia "Pat" Jeannine Neibert in Saint Louis on February 14, 1959. They were married for 25 years. After a brief time in Tacoma, Washington, Marty and Pat made their home permanent in Tucson, Arizona. Not long after, Marty served a year after the Korean war ended, as a Captain of the Medical Corps in the United States Army.

Marty joined Thomas-Davis Medical Clinic and had 32 successful years in Internal Medicine with a specialty in Cardiology. Marty and Pat enjoyed many years in Tucson together and had two daughters, Christine and Suzanne. After a long illness, Pat passed away in 1984.

After some time, Marty married Elaine Cutts on September 19, 1987. They were married for 27 years. The blended family brought two stepsons, Barry and Brian, and welcoming family members. After a long illness, Elaine passed away in 2014.

In 2015, Marty moved to Coronado, California to be close to his daughters and sons-in-law, Michael and Mike. A daily walk on the beach was a great joy to Marty.

He knew a lot of characters and was definitely one himself; we have so many stories. He had a great sense of humor, laugh, and smile.

Marty shared a few things with his daughters their whole lives, and we think he wouldn't mind sharing them because they can be helpful to us all: "Keep your chin up." "Make today a good one." the third was just for us. However, if you visit one of our homes, you may discover the third one.

There is so much we want to say, he touched so many lives, and we are so grateful that our family and friends knew the kind of person that he was.

Marty is survived by his children, Christine Meyer Morgan (husband Michael); Suzanne Meyer-Kenney (husband Mike); Barry Cutts, pre-deceased (wife Karen); Brian Cutts (wife Lisa); grandchildren, great-grandchildren, nieces, nephews, as well as many beloved family members and friends.

Service will be held on Thursday, December 29th at 11:00 a.m. at Fountain of Life Lutheran Church, 710 S. Kolb Rd, Tucson, Arizona 85710. A graveside burial will follow the church service with military honors and a brief fellowship at Evergreen Cemetery on North Oracle Road. You are welcome to join the funeral procession.

What sad news to learn from Dr. Martin Meyer's daughter, Christine that he had died. Marty and my husband, Dr. Ron Severs were classmates in college and medical school and while medical interns at St Louis City Hospital were room mates. This was in 1957, Ron and I met and we double- dated with Pat and Marty and later Marty was one of Ron's groomsmen for our wedding. Later the fellows each went on to their separate medical specialties. Each had some time in the military and then private medical practices but always kept in touch as special friends. We shared telling of Pat's death and much later we met Elaine. We had separate visits with Marty and both wives and have wonderful fun memories of these times together. Marty sent us a copy of his book and gladly while Ron was still alive to enjoy it. My sincere sympathy is sent to all of your family. Mary Ann Severs

Our condolences to Christine, Suzanne and their families. Marty and I had a friendship for 54 years! We interacted with each other professionally and socially. He is a unique man with profound religious beliefs. His humility, sense of humor, intellect and vast knowledge of many subjects made him a delightful, good man- one to be truly proud of!! I'll always cherish good memories of Marty Romaine and Floyd

I became acquainted with DR Marty and Elaine in 2006 when Barry married Karen a neighbor of mine. I had them to my home for a pre wedding get together where we immediately became friends, such wonderful caring people! Having a brother living in Tucson, they insisted I let them know when I visited. My Mother, age 94 and I did soon after. They took us along with my brother to their club for dinner. Marty was exceptionally gracious as was Elaine to my Mother whom was so impressed feeling she had made new friends. After dinner Marty invited us back to their home for "Lemon Pie he had made with lemon's off his own Tree" that really bowled my Mother over! She talked about that often till she passed at a pretty healthy 97, having played Double Deck Pinochle, just days before, My Deepest Condolences to the Family and close friends, Marty although wasn't a long acquaintance of mine, his Faith, Kindness and Compassion was a shining light in my life, I will miss being in touch!
