Hi Chato, it me tia DeeDee. Always thinking of you, your memories are infrared in my heart. Sitting out here on porch, seeing you under a tree in a diaper...rolling around in the mud having a time of your life, those giggles. Make me smile...& chuckle a laugh. I know you are in the best health having the time of your life! Always loving you mijo. ❤️

Hi my Chato, today I've been thinking about you!! Friday I saw the news & it mentioned the monsoons had been in Gardner canyon and it was beautiful! Early Saturday morning I heard a song that was played for your memorial (beautiful) and of course I cried. You are always in my mind & heart! Today, I read a thing that said - You have a man coming through for you, talking about a long illness. He say thank you for everything you did for him, even after he passed! And its you!! Tia DeeDee loves you to the moon & back forever. You are in my heart always 💙

One of my favorite people. Ive known you 21 years now and enjoyed every moment together. Every phone call and silly texts. You always made me laugh. Always made me feel better knowing just what to say. You were my friend when I was at my worst and when I was climbing out of it. I love you always Manual! Praying you've found peace and praying for your family.
