Lexis, you'll be missed dearly. You were my best friend in 7th grade so many fun memories with you, Alejandra and lupita. Nothing but laughs every single day. And even though as we got older and grew apart. We always loved one another. Even up until months before you passed, you'd check in on me. You always congratulated me when growing my family and told me my daughter was so funny and crazy like me. You were such a beautiful person so kind. I remember you getting mad and you couldn't even take it seriously you'd always crack a smile. You'll always be in my heart. ❤️
