I've known Mike and Ann for many years and always loved seeing them. I've left Tucson many years ago and wasn't aware of Ann's death until today. I love them both dearly and my heart bleeds with grief but will never be forgotten. Ann's colorful personality always put light into my heart, a rarity. She is greatly missed. Bruce Stuart Liebowitz

My husband was a long time friend of Mikes and that is how we met Ann. As soon as I met her I knew she was perfect for Mike. Their love and respect for each other was so apparent. She was quick witted and had the greatest smile. Even though we lost contact through the years I thought of her often. And with sadness and joy i can look at the pictures I have and remember. I spent several wonderful weeks traveling and camping with Ann the past 3 years in Texas, Louisiana, Iowa and tge Carolinas. In May we walked the beach at sunrise every morning for a week. Ann was kind and compassionate. She loved Milan and her sisters and spoke of them often. She was a great listener and was really interested in others. Her smile was epic. She loved her pups. I am blessed to call her friend.
