Our sympathy for the loss of your dear mother. We are shirt tail relations. My dad, Don Doolittle's sister, May, married L J or Jack Mathias and he was a brother to your Grandpa, Herb, Mary's dad. Plus we lived only 2 miles from your grandparents in Mason, Michigan. Our families used to get together and the adults would visit and the kids play. And my husband, Dale Burgess, was in the same class as Mary. So it's a small world. Keeping you in our thoughts and prayers. Sincerely, Dale and Edna Burgess, Mason, Mi.

RIP dear Aunt Mary. You made life as an Air Force wife look effortless, yet I know it had to be very difficult at times. Not only the fact that you were continually moving your family from location to location, but you were also constantly on alert that your spouse is putting his life on the line for his country, which means he may not come home. I can't imagine the stress of taking on the majority of the duties on the home front the way you willingly did, and handled it with bravery and grace. You have always been a true patriot and stood proudly for what this country was truly founded on, just like Uncle Ron, and in that we always had a very deep and endearing connection I will cherish always :flag-us::flag-us::flag-us: I love you Aunt Mary and you will be truly missed. Until we meet again ❤️
