Bob And Karen Epstein posted:

We only met Alan and Susan a few years ago. It was during covid and they were sitting in front of us at Temple B'nai Torah in Bellevue WA during the concluding service for Yom Kippur. Alan was wearing a mask and with his British accent, I couldn't understand a word he said. This led to further conversation which led to the fact that we both had worked for the US Public Health Service and thereby we connected. We only wish we could have spent more time with them. Our sincere condolences to Susan and the family. Bob and Karen Epstein, Kirkland WA
