Jean, I thought about you since I left the credit union, where I worked, many times over the last few years since I left. I knew you and Ed for years , and then you even longer. I have many fond memories of you, how kind and sweet you were to me. Your whole family was a treasure and kind hearted souls. I am sure your big smile shines even brighter up in the sky today. My thoughts and love are with you.

Jean and I met at my job and had been friends for many years. She would periodically come to my job and we would have our lunch dates. Jean saw no color(I'm black and she's white) we had so much love for each other. I miss my friend. Michael and Margie had an amazing mom.

Jean was truly a good friend and big sister to me. .I have known her since our children were babies. We used to go to the pediatrician together. I would pick up Jean and her kids and bring my daughter. Afterwards we would often go to K-Mart (used to be on Miracle Mile) and Jean would tell me to pick out a toy or something for my daughter.We shared a lot of laughter and conversations over the years. I will miss.my dear friend.Jean was also a good example of a Christian woman.My deepest condolences to Margie and Michael and the family. Jean loved and was very proud of her kids and grandkids. With love, Jo Turner
