"Some people come into our lives and quickly go. Some stay for a while, leave footprints on our hearts, and we are never, ever the same." -Flavia WeednGlorie you were more than a mother in law, You were a friend, a teacher, and a great story teller. I just wish you would have written a book on your travels, the people you met, and the things you did. You were truly a treasure. We love you so much, and our world has turn upside down since you left us. Cliff an Judy
