Vicki was born in Marquette, MI on September 12, 1968 to Susan and Garland Cousineau. Vicki attended Doherty High School in Colorado Springs, CO. She competed in truck competition and placed 2nd overall.

Vicki lived in several states but the west is where she always returned to. Living in Tucson, AZ the last eleven years. Her favorite thing, after driving was politics and cooking.

Vicki is survived by her parents residing Dewey, AZ, two uncles, Deloyd Cousineau and Bruce Smith both of Marquette, MI and her Aunt Paula Dombroski who resides in Topinabee, MI. Her Tucson roommates that took such great care of her, Lori Leffler and Betty Lemke.

Vicki tackled cancer like she did everything else, head on and "I've got this." However, this battle with cancer was even more than she could handle and she went to heaven January 12, 2025.

Thinking of Vicki always brings a smile to my face. She was such a happy soul and always up for going out or staying in for a chat. We remember Sue talking about her as a teen playing softball and seeing her as an adult when she stopping by for a visit as an OTR truck driver. She was a very outgoing adult and a joy to visit with when she stopped by for a visit. She left such a positive impact on the world and will be missed by those that knew her well. RIP Vicki, You will be missed.

I worked with Vicki at Bombardier Aerospace in Tucson before she became a truck driver & I could tell she was very happy being part of something really rewarding especially during Covid shutdown. But she was a tremendous asset to the aerospace industry as well. Rest in Peace and keep on trucking forward. You will be missed friend.

I remember the smile Vicky always had when she came to visit Gar and Susan. The funniest thing was Vicky helping Susan, over the phone, on how to make chili for our annual chili cook off and it was a winner! She will be missed.
