Diana Alvarez Fierro

AUG 6, 1964 - JAN 18, 2025

Our hearts are heavy as we say goodbye to Diana Alvarez Fierro, who passed away on January 18th, 2025, in Tucson, Arizona. She was an amazing wife, mother, grandma, daughter and mother-in-law who filled our lives with warmth and joy.

Diana was the supportive and loving wife of Rene Fierro. Together, they built a family rooted in love and togetherness. She was the devoted mother of Josue, Jacob, and Michelle, always guiding us with her wisdom and unwavering support. Her grandchildren—Baby Jacob, Jiraiya, Jada, Katia, Ezequiel, and Mila—were the light of her life, and she cherished every moment spent with them.

Diana had an illuminating smile and laugh that brightened every room. She was loved by everyone and always worked too hard for everyone around her.

Mom was always experimenting in the kitchen, delighting us with her new creations and bringing everyone together around the table. She had a passion for helping others, traveling, embracing every adventure with enthusiasm, and making lasting memories with us by her side. She was the true definition of selflessness.

Her favorite saying was, "Love you More," and she lived those words every single day. Supportive, determined, hardworking, intelligent, and loyal—Diana was the heart of our family. She taught us the value of perseverance and the importance of sticking together no matter what life brought our way.

She is now reunited with her beloved grandson, Baby Jacob (Jacob R. Fierro II), and her dear parents, Edith and Pablo Alvarez, who preceded her in passing. While we grieve her loss, we take comfort in knowing they are together again.

Diana is survived by her Loving husband Rene, Children Josue (Sandra), Jacob (Brenda), Michelle, Grandchildren, Jiraiya, Jada, Katia, Ezequiel and Mila, her siblings, and many family members

and friends.

Though she's no longer with us, her spirit lives on in our hearts. We will miss her laughter, her warmth, and the love she showered upon us. Until we meet again, we'll carry her memory with us always.

Mama I miss you so much. You laugh your smile and your love. It's hard sometime to not pick up the phone and dial your number, I just wanna hear your voice and hear you say how proud of me you are or how dumb I am either one I'd take . I wish you were here still wanting your grandkids grow and being the light of our family.

My heart breaks for the Fierro Family. I pray God gives you all the strength to get through these difficult days. Diana and I talked on the phone off and on over several years and ran into each other at Sam's club a few times and we would stop to chat. I didn't know her real well but I knew her enough to know she was a beautiful person inside and out. I also know her husband Rene, her children and her grandchildren were her life . She was a beautiful person called home to soon. Diana will be missed by every one that knew her, but you can hold her memories close in your heart .Sincerely Claudia Russell
