Penchan Kennedy lit a candle in honor of Jean.

I met Jean in 1987 on my very first day at Walgreens. From that day on, she took me under her wing and showed me the ins and outs of the job with so much patience and kindness. She was truly a sweet and caring person. We connected instantly, and over the years our friendship only grew stronger. My entire family had the privilege of knowing her, and we all valued her presence in our lives. I will always treasure our friendship and the many memories we shared. My thoughts and prayers are with her family during this difficult time. May you find comfort in the love she gave so freely and the legacy she leaves behind. Love, Penchan and family
