“ Brandon truly was the kindest soul who loved so deeply. The world is a darker place without him. You will never be forgotten.

“ Brandon was one of my best friends since we were kids. He was THE MOST genuine, loving, caring person i ever had the pleasure of knowing and there is a gaping hole in my heart. Brandon knew the true meaning of friendship and if you were lucky enough to be called his friend, there is nothing he wouldn't do for you. I'm so sorry to his family for this loss. It is a great loss and Brandon will never be forgotten. RIP Brandon. I love you my friend....forever

“ I'm so blessed and lucky to have had Brandon in my life for all of the years I did. Our friendship was very special to me and it is a friendship that can never be replaced. He meant the world to me as he did all of us who know and love him. My heart and prayers go out to his family and all of his friends who he considered to be family as well. I'm the luckiest girl in the world to have had you as my BFFAE...AE
