

## Caleb Ryan Hatch

March 18, 2010 - March 26, 2020

Caleb Ryan Hatch of Sahuarita, Arizona passed away on March 26, 2020. He lived ten incredible years on this earth.

Caleb was loved dearly by his mother Michele and adored by his six elder siblings, Jessica, Matthew, Dawna-Jo, Joseph, Raymond and Seth. His father, Steven passed with him.

Caleb's personality reminded his family so much of his sister Jessica and he wanted to follow in his brother Matthews footsteps by playing collegiate soccer.

A student at Sonoran Science Academy in Tucson, Caleb was well known for his quick wit, daredevil spirit and unique fashion choices. He was an old soul.

Caleb was passionate about sports. Parkour, golf, bowling, basketball and his favorite, soccer. Part of the local RSL Southern Arizona Soccer Club, Caleb leaves behind his teammates, coaches and friends, including his ultimate forever best friend, Marcus.

In his young life, Caleb had travelled extensively and volunteered to help others including locally and a service project in Mexico.

Caleb was an amazing little boy who will be missed by all who knew him.

As a gift to his family, please share a special memory you have of Caleb, as these will be treasured long into the future.

To honor his memory, in lieu of flowers please consider donations to Caleb's Assist, which will offer scholarships to young athletes so they can enjoy the sports Caleb so loved.

“ I am a teacher at Sonoran Science Academy East. I will always remember Caleb's warm smile, vibrant personality, and his love of soccer. I would greet students in the morning, at the gate, as they entered school for the day. Caleb would always come in kicking his soccer ball, and encouraging his classmates to pass the ball with him before they went to their classrooms. Caleb will never be forgotten, and his spirit will live on through those that knew and loved him.

“ A few years ago 4 or 5 - on a visit before we moved to Sahuarita - we ran into this charming young man on the golf course. He was delightful. When I saw a picture in the paper I knew instantly it was the same young man. We are so sorry for your loss.

“ I will never forget Michele sharing Caleb's prowess on Facebook. Blocking a goal, making a basket, riding his scooter in the skate park, jumping on a trampoline, hugging i teammates. Thank you for sharing him with me. When I need a smile, I will think of him. He will be forever remembered. My love goes out to you, the family and all his friends. Mona
