

Claire G. Amigo

February 14, 1934 - August 17, 2020

Claire Amigo took her last breath on August 17, 2020. Claire was born on Valentine's Day, February 14, 1934, to Meyer and Dora Bergman. She had two sisters, Cecile and Helen. She spent her childhood in the Bronx and moved to Queens when Lois, her daughter, was born.

Claire then lived in NY until her and her husband, Al, found paradise in Delray Beach, Florida.

Lois and her husband, Gary Berman, noticed Claire and Al needed some help, so they moved them to Arizona in December 2016. Claire and Al adapted very well to the desert and their new home. Unfortunately, Al passed away in June 2018.

Claire had many friends and enjoyed being close to her children. Claire loved to read, play word games, and do crossword puzzles. She played tennis in her younger days. Those that knew her would always comment on how she sent a card for every birthday. That is a tough act to follow! She always thought of everyone with a kind heart.

Claire is loved by many and her name Amigo says it all!

She is survived by her loving family; daughter, Lois and husband for many years, Gary Berman, her four grandsons, Jeremy, Andrew, Eric and Russell. Claire recently became a great grandmother from Andrew and his wife, Emily, and loved meeting Ivy. She is surrounded by her sister Cecile and husband Arnie, daughter in law, Rochelle, many nieces and nephews, great nieces and nephews, and lots of friends.

Rest in peace, Claire Amigo.

“ To the family of Claire Amigo,
I had the privilege of knowing your Mom when I worked at Mountain View. She was instantly one of my favorite residents as we had several things in common. One of the best days I can remember at work is when I got to ride with Claire on a trip to the nail salon. It was then that we had some quality time to get to know each other better. What an amazing woman! She was always a kick, up and dancing at events and what a great representation at the Tucson Rodeo Parade! She brought a smile to my face everyday, and I am blessed to have known her. My heart, thoughts and prayers go out to you all. RIP my friend, sweet Claire.
You will be greatly missed. Lorell XOXO

“ I have lots of memories visiting with my Aunt Claire in NY when I was a kid. She looked so much like my mom at times it was eerie. We will miss her.

“ When first I opened my eyes as a newborn, there was Claire looking over the crib. She was big girl of three. We grew up together and shared so many happy times and this one, too sad to describe. I will always try to remember her at my granddaughter's wedding having a ball, and dancing till the wee hours. How she loved to dance! She will be in my thoughts and in my heart ALWAYS. With love, may she rest in peace.

“ Dear Amigo Family, I met Claire probably on the first or second day my mother moved into Mountain View. Claire’s warm welcome was very touching, and her genuine friendliness and kindness have been evident ever since. I loved Claire’s fun spirit and willingness to join in. I looked forward to sharing a hug with her every time I came from California to visit my mother. I had not been to Mountain View for months due to the COVID Lockdown so I’m saddened that I didn’t get the chance to spend more time with her in recent months. Her lovely spirit will always be with me, and remain a part of the Mountain View Community.

May God grant her spirit peace. We are so sorry for your loss.
