“ First met Dorothy back in 1982 at CALFED and then Tom came along and a life time friendship began. Yes Dorothy kind hearted, helpful to those in need and she helped me and my kids. I will miss her, praying for you Tom and the family. She loved to cook, dump cakes, spaghetti salad to bring in to work and taught me about red wine! Love you Dorothy and thank you for being my friend. With a saddened heart I bid you farewell my friend
