“ Thank you Jessica for your bright smile, full of light and spirit. I always appreciated you making everyone in the room feel welcome. You sure had a special way about you, that was positively infectious and loving. This world is less bright without you. Rest In Peace & you will always hold a special place in my heart.

“ Lance, I'm saddened by this news! Although I never had the chance to meet Jessica I'm sure she was pretty amazing and will be missed deeply by all of her loved ones! I hope all the good memories you made together bring some comfort and laughs to you and your family. Prayers and hugs to you my friend!

“ Lance, I haven't seen you since we were young but when this tragic news was shared, my heart ached. I wish you and your family peace during this wretched time and comfort in the thought that we are all sending you love and holding you up in prayer.

“ Even though we've only known each other a few short years, boy were those hangouts memorable! I will always fondly think of you whenever I see someone watching TV with closed captioning on and cheers to you whenever a Pickleback shot is mentioned. Heartfelt hugs of love and support to Lance, Devon and PJ and all else who were touched by your spunky delightful spirit.
