Father,

The time we had wasnt nearly enough to pack in an entire lifetime of love.

Ive spent most of my life without you but always thought of you in silence.

There are so many questions i need answers to but now that you are gone i cant ask you.

When i got the call that you had died, i felt numb but still i cried.

Father, I will forever keep you in my heart!

Im glad i got to meet you.

Love your daughter,

Monica
