“ Luis, we came to visit yesterday. It was a beautiful day and the sunshine reminded me of your smile and the warmth of your love for everyone. It's been a year but it feels like no time has passed. The sense of loss is fresh and profound but so are all of the wonderful memories. We didn't get as much time with you as we wanted but we will be forever grateful for the time we had. We love you and we miss you.

“ Baby, I miss you asking for McDonald's and a "pino" from Eegees. I get sad on my way home from work knowing you won't be there to tell me, "Hi Nani" and give me a kiss.
