“ I was afraid that if you came to my wedding you would disprove of a lot of things that were going on and you would judge my wife who is a very devoted christian too but her family was a lot different from what you would have expected. Anyway I was young and made stupid choices. I am sorry grandma I do love you so much and am grateful for everything you did for me and mom especially the love you taught me. You and mom taught me how to stay faithful no matter what! Have fun and relax up there with JESUS. I LOVE YOU... PEACE!
