“ Dear Donna and Family,

I'm so sorry to hear Mark is no longer with us. When I heard the news I literally had to pull over. I was in shock. To say he impacted my life is an understatement - He was always so pleasant to work for and so passionate about everything he did. He will be truly missed! God Speed my friend! Love Theresa

“ Dear Donna, Parker and Lauren,
We are so sorry for your broken hearts. It has been a while since Sadie and Parker were elementary pals but we will always remember Mark as such a great, all around stand up guy! Such a great dad and husband. Paul shared with me that it was Mark who introduced him to and started his love for pizza with green peppers and sausage at Donna's 40th birthday party! We know there is nothing we can say to ease the pain but hope you know how deeply sorry we are and you all are in our thoughts. Love, Lana, Paul and Sadie Keesler

“ Mark will be greatly missed by my family. He was truly a genuine guy. A blessing for all of us to have had him in our lives. He was a great father to my niece and nephew and a phenomenal husband to my sister. He always had a welcoming smile and engaged in some of the most intriguing conversations. Christmas Eves every year we're so much fun. He will be missed but never forgotten. Thank you Mark for being such an important part of our family. We love you a lot.
