“ I'm so sorry to hear of Matt's passing. I work with United Cerebral Palsy and he would join our respite group some Saturdays and we would see him at the Armory Park dance each month. He always had a smile on his face, was very kind, and had some of the best dance moves of anyone who attended. I echo Cynthia's sentiments in that he was very considerate and patient with his girlfriend, Ann Marie, as long as they were together. He will be greatly missed.

Condolences,

“ Every time we saw Matt he had a big smile on his face. My son Matthew would always enjoy seeing Matt, because he was so kind and happy. For a time Matthew would meet Rob and Matt for cards at Foothills Mall. They just enjoyed hanging out with each other and playing Uno. Matt would come home from the dances and let me know he saw Matt Corbell. One of the best things about going to the dances. Matt was a sweet soul who will be missed. We will keep Matt and his family in our thoughts and prayers. Denise and Matthew Robb

“ My condolences to Matt's family and friends. It is hard to lose a Loved one, especially a son, brother, uncle, and nephew.

Matt was a very kind and caring person with a great personality. I know Matt through Beacon Group. I worked with him at both Eege's and Nash Elementary. Also, through respite with his girlfriend, Ann Marie. He was very considerate and patient with her. He had many friends and always had a smile for you. He will be missed by all.

With Love, Cynthia Gonzales

“ We heard of Matt's passing yesterday and are so very sorry. Our prayers are with the family at this difficult time.

Matt was special not only to our Son Ben but to our whole family. Matt was a member of our Northwest Tucson Special Olympics Powerlifting team. We also knew Matt in many other Special Olympics teams. We used to take Matt with us to baseball and other events when he lived in our neighborhood.

Matt and Ben played cards at the Mall on Sundays after church with Rob. They had lots of fun and socialization until Covid hit.

Matt always had a smile for everyone and a way of calming his teammates during a squabble. He will undoubtedly missed by many friends and family.

Sincerely Carl Ben and Marilyn Caulkins

“ I really enjoyed participating in Team Hoyt races with Matthew. He was so kind and fun and we always had so much to talk about. I was looking forward to seeing him after covid and I'm so deeply sorry to hear of his passing. I'm going to watch Kindergarten Cop this week in his honor. He told me it was one of his favorites. He will be so missed.

“ The memories I have of Matt will never be gone he was always happy to be around family and especially at the Christmas get-togethers he entertained all the kids and the kids just love him he would get down and play with them and they would aggravate him but he loved every minute of it Matt we're going to miss your infectious smiling face. “ Matthew worked with us at Nash and always came in with a smile. He made sure he said hi to each one of us. He was such a hard worker and would do anything to help. Sometimes he would start tapping his foot to the music and before you knew it he was dancing away. It was fun and up lifting. He would never leave without saying goodbye even if he had to hunt you down. He will forever be missed
