

Maureen Hall Daly

June 10, 1967 - January 18, 2021

Maureen Hall Daly, of Tucson, AZ, passed away on Monday, January 18, 2021, at the age of 53.

She was born on June 10, 1967 in Carmel, CA to Paul and Maureen (Kenny) Daly. As the youngest of five children in a military family, Maureen lived in locations across the United States, settling as an adult in Tucson.

Maureen was a creative, free spirit who loved being with and helping people. This people focus was the core of her career – early on as a cosmetologist and later in the field of customer service. She enjoyed crafting using many mediums and shared that passion teaching craft classes for children and making gifts for friends and family.

Preceded in death by her mother, Maureen, and her fiancé, Ron Fletcher, Maureen is survived by her loving father, Capt. Paul S. Daly, Sr. USN, retired (Ellie) of Goodyear, AZ; siblings, Judy Daly of Goodyear, AZ; Col. Paul S. Daly, Jr., USAF, retired (Melissa) of Rio Rancho, NM; Susan Land (Gary) of De Soto, TX; and Lt. Col. John J. Daly, USMC, retired (Cynthia); her son, Chris Marfechuk of Lakefield, MN and her dear friend, Robert (Bob) R. Johnson, Jr. Maureen also leaves behind many nieces and nephews and extended family in Massachusetts including her aunts, Elizabeth Daly and Madeline Daly.

Moe – you left us too soon and we will miss your giving spirit, gift of gab and bit of the blarney! Until we meet again, may God hold you in the palm of his hand.

A private family celebration of Maureen's life will be held at a future date. Memorial contributions in Maureen's name may be made to the Humane Society of Southern Arizona.

Comments

“ I worked with Moe at Home Planners/Hanley-Wood and at Michaels. She was one of my best friends as well. She was a beautiful person inside and out. Never judging anyone, always ready to help and to listen. We shared many memories - especially when working with the kids at Michaels. She was one of my instructors and loved working with the kids and could come up with a project in minutes when needed. She also taught jewelry making and a kids loom knitting class, as well as art classes using various mediums. Moe was very talented and a delight to work with. Outside of work, we spent time cooking and doing crafts. We even had a "Pot-Luck" crafting night, which was a blast for all who attended. I am and will miss her very much. Rest in peace my friend, you will always be in my thoughts and heart.

“ The one who never judged me no matter how crazy my life was. I wonder how you even kept a straight face sometimes. I've been incredibly blessed to call Moe one of my dearest friends for almost 40 years.
