

## Nancy C. Damiani

October 4, 1935 - October 17, 2020

Nancy Damiani departed this world and was welcomed into the presence of her Savior, Jesus, on October 17, 2020 in Tucson, Arizona. She will be remembered as someone who deeply loved her God and her family. Throughout her life, her generosity and selflessness touched the lives of all who knew her – family, friends, the students she taught and her colleagues.

Nancy was born on October 4, 1935 in Chicago, Illinois. She was preceded in her death by her beloved husband, Richard “Dick” Damiani, and by an unnamed great grandchild she has now met for the first time. She is survived by her four children – Pat, Dave, Bill and Sally, her five grandchildren – Pam, Peter, Wesley, Emily and Isaac, and six great grandchildren – Haley, Maddison, Joshua, Kylie, Brayden, and one on the way.

It was her wish that upon her death that those who knew her would not mourn, but that they would celebrate with her knowing that she is in the presence of Jesus. A graveside celebration of life will be held on Saturday, October 31 at 10:00 a.m. at Evergreen Cemetery, 3015 N. Oracle Road. Although attendance will not be limited, the family requests that for the safety of others that face coverings be worn and physical distancing be maintained to the degree it is possible.

In lieu of flowers, those who wish to honor Nancy’s life may donate in her name to the Community Food Bank of Southern Arizona, 3003 S Country Club Rd, Tucson, AZ 85713.

To ensure the health and safety of our community, we are following all guidelines set by local, state and CDC officials.

“ I had the incredible joy of first meeting Nancy when my son Dustin entered her classroom at Holaway Elementary in the early '90's. Throughout that school year, I got to listen to amusing and insightful stories of Nancy that my son frequently came home with. It was quite obvious that Nancy was not only a truly gifted and impassioned educator, but a genuinely lovely and caring woman. She had such an incredible impact on our young son, that long after he left the grade school, he would return as a student now in middle school... with cameras rolling from KGUN 9 to surprise her with their Apple Award for Excellence. To this day, it is one of Dustin's most cherished childhood memories. I stayed in touched with this dear person who I humbly called my friend long after our children were raised. Nancy taught me so much about what a strong faith can do and she truly was a light for Jesus. Her deep love and joy that came from her family was obvious and my son and I send our heartfelt and deepest condolences to them. The best of Nancy lives on in their lives and their smiles. That is the blessing and radiance being around her gave us all.

“ Nancy always had bright, beautiful hair, and a smile that would light up the room, as we remember her. It's always hard on the family left behind, especially when you lose a special lady. So were glad you all have such great memories with her, to cherish.  
Love, from the Jameson's.

“ What I remember most about Nancy is the way she was always upbeat. She always had a smile on her face and was such a happy person to whomever she met. She had a desire to know the Lord and I know he was totally in her life. She will be missed but not forgotten
